

BUSINESS ADMINISTRATION, ASSOCIATE IN SCIENCE (BUAD)

Effective: Fall 2021

The Business Administration program provides students with the necessary courses to transfer to a four-year college or university to pursue a baccalaureate degree in business. This curriculum is fully compliant with Pennsylvania Statewide Program-to-Program Articulation Agreement (TAOC) as promulgated by the Pennsylvania Department of Education. This Agreement assures that the BUAD student can transfer their full degree into a baccalaureate program at a participating Pennsylvania affiliated institution, transferring with full Junior class standing. (This includes all PASSHE institutions.) Transfer Students in this program may emphasize accounting, marketing or sport management, by following the guidelines below. Students enrolled in BUAD are strongly recommended to choose their transfer school as soon as a practical, then consult that institution, their BUS Division Faculty advisor or the DCCC Transfer Office to ensure that their course of study will be consistent with the requirements of their transfer institution. The Associate in Science degree is awarded at the completion of the program.

Program Outcomes

Upon successful completion of this program, students should be able to:

- Apply knowledge of the functional areas of business to solve problems and identify opportunities.
- Use technology to produce functional work products.
- Analyze forces in a business environment and recognize their potential impact business outcomes.
- Analyze business problems and use quantitative reasoning to develop solutions.
- Express ideas clearly and logically through oral and written formats.
- Recognize ethical issues and apply skills and knowledge to respond in a socially responsible manner.

Full-Time Academic Plan

The College Transfer Office (<https://www.dccc.edu/admissions-financial-aid/transfer/transfer-office/>) is set up to help Delaware County Community College students transfer to four-year colleges and universities. If you are planning to transfer, you are strongly encouraged to meet with a transfer advisor within your first two semesters (or before you reach 30 transferable college credits from all institutions attended).

Notes

¹ Students who did not place into MAT 135 should use the open elective in the first semester to complete MAT 128, which is a pre-requisite course for MAT 135.

The BUAD (Business Administration Associate of Science) program should be selected by students transferring to four-year colleges accredited by the American Assembly of Collegiate Schools of Business. Students should check with their advisor or the Transfer Office for a list of these schools. We recommend that students become familiar with program requirements of the transfer institution they plan to attend.
