Notes

¹ Students who did not place into MAT 135 should use the open elective in the first semester to complete MAT 128, which is a pre-requisite course for MAT 135.

The BUAD (Business Administration Associate of Science) program should be selected by students transferring to four-year colleges accredited by the American Assembly of Collegiate Schools of Business. Students should check with their advisor or the Transfer Office for a list of these schools. We recommend that students become familiar with program requirements of the transfer institution they plan to attend.
