1

BIO 150 Human Anatomy and Physiology I and BIO 151 Human Anatomy and Physiology II can be substituted for AHM 104 Body Structure and Function I and AHM 105 Body Structure and Function II.

Students have the option of integrating the fifth semester courses into the first, second, and third semesters. Courses cannot be integrated into the fourth semester as students are not permitted to take courses while participating in externship. If a student takes any of the fifth semester courses while pursuing the Medical Assistant, Certificate of Proficiency (CMED), they must declare a dual major in Medical Assistant, Certificate of Proficiency (CMED) and Medical Assistant, AAS (MED).

Students may complete all courses in the Medical Assistant, Certificate of Proficiency (CMED) prior to taking courses included in the fifth semester. If a student chooses to complete the Medical Assistant, AAS
