

ELECTIVES

Each degree program guides its graduates to achieve College Academic Learning Goals and General Education requirements in the way that is most reasonable and helpful to its students in that field of study. Programs may require a specific course, or **elective** categories, from which a student may choose from a variety of course options. Refer to specific program curriculum grids for more information.

Elective Course 270

Courses numbered 270 through 279 designate credits that are transferred into DCCC as electives in that discipline. These courses do not directly equate to a specific DCCC course but meet requirements to be transferred in by the College.
