

STUDENT HANDBOOK

Message from President Dr. Marta Yera Cronin

Welcome to Delaware County Community College! We are glad that you have chosen to entrust us with your future goals. DCCC has a long history of serving students in Delaware and Chester Counties and of seeing those students go off to be successful at four-year colleges or in the workforce.

Whether you are here to obtain a transfer degree, complete a credential to immediately enter the workforce or just learn some new skills, DCCC is the place for you! Our advisors will assist you in determining which career track is for you, providing you a roadmap on how to get there and guiding you along the way.
